

TRI-IMMUNE BOOST

Glutathione | Ascorbic Acid | Zinc Sulfate

30ml / MDV

For intramuscular or intravenous injection

Olympia Pharma is comprised of a state-of-the-art FDA 503B pharmaceutical outsourcing facility, and a 503A pharmacy. Both facilities provide access to high quality age management and nutritional medications.

OVERVIEW

Tri-Immune Boost is a power-packed immunity blend made up of Glutathione, Ascorbic Acid, and Zinc. This high concentration blend of immune boosting essentials is the ultimate immune system enhancer to help maintain a healthy immune response.

- ✓ Ascorbic Acid supports cellular functions of both the innate and adaptive immune system
- ✓ Zinc Sulfate plays a role in the development + function of immune processes
- ✓ Glutathione protects host immune cells + provides optimal functioning of other cells in the immune system
